IMMEDIATELY CEASE AND DESIST

RE: Floyd Mayweather

Gentlemen,

We represent CSI Sports Events, LLC (“CSI”). I write on CSI’s behalf to demand that Players Era, LLC, and any of their principals, agents, parent companies, subsidiaries, and affiliates (collectively, “Players Era”) **immediately cease and desist from pursuing a boxing match with Floyd Mayweather, Jr. (“Mayweather”),** pursuing, entering into, or engaging in any agreements related to him fighting, broadcasting rights to same, or conducting any promotional or marketing activities related thereto (including, but not limited to, press releases, etc.).

CSI and Mayweather’s company, First Apex Ventures, LLC (“First Apex”) are parties to a Fight Agreement, as ratified by Mayweather¹ (the “Agreement”), in which First Apex and Mayweather expressly granted CSI the **exclusive** rights to Mayweather’s next fight (among many other rights), on a date solely determined by CSI, following the Mike Tyson bout currently set to occur in April 2026. Further, as you know or should know from previous interactions, Mayweather likewise is not permitted to participate in any other boxing match unless or until the Mike Tyson bout occurs.

Because of Mayweather’s Agreement with CSI, Mayweather has no legal right to participate in any interim or other match whatsoever as set forth above; neither Players Era, nor any other company, entity, or individual, has the right to solicit, offer, negotiate, or contract, with Mayweather in this regard or cause to be issued or permit the issuance of any press release related to same. Any such acts constitute tortious interference with CSI’s Agreement and will cause CSI substantial and irreparable harm.

We have learned that Players Era may already have or is in the process of engaging in precisely that illegal conduct. **In the event that Players Era does not confirm in writing by 5:00 a.m. EST on January 8, 2026, that it has and will cease and desist from tortiously interfering with the Agreement and CSI’s advantageous business relationships related thereto, CSI is**

prepared to and will have no choice but to seek immediate injunction to enjoin any such acts or actions going forward and pursue damages for same.

CSI is a friendly (as most know) in this industry and always looks to first work in good faith to resolve any issues that may exist between any of their peers, colleagues, or potential partners. Accordingly, it currently is and will remain its goal if Players Era immediately complies with this demand and the rights of CSI as set forth herein.

Regards,

Justin B. Kaplan, Esq.
